### World Book Day 2022

This year, World Book Day is being held on Thursday 3<sup>rd</sup> March – which is the first week back after half term. For a half term challenge, we are asking children to think about a book that makes them smile. Then, on World Book Day, they could bring in a copy of the book and share it with the class. It might also be nice if the children came into school dressed as their favourite character of their chosen book. However, any World Book Day dress up will do! An assembly will also be arranged in the morning so that the children can share and celebrate their costumes.

Please can nursery children come into school dressed up on Wednesday 2<sup>nd</sup> March.

### Messages from the PTA

The PTA are offering the children a chance to make the lady in their life a special present for Mother's Day. Whether it's their mum, Nan, auntie or the lady next door. Someone who they would like to give a special gift to on Mother's Day.

A form will be created on ParentMail soon for you to complete. The cost is £2 per child (each gift is unique to that child), and please can the ParentMail form be completed by Friday 4<sup>th</sup> March.

Many thanks

Friends of Woodlands Academy

### Parking outside of school

At the end of the school day, please can we ask parents not to park outside school too early, and wait to collect their child/ren. We have received complaints from local residents who are having to park a considerable distance from their houses, just because spaces are being taken - up to an hour before the end of the day - by our parents.

We appreciate your consideration on this matter.

It has been another busy term, but one that has felt slightly back to normal regarding the children's learning. When we come back at the start of March, we are hoping that all covid restrictions will be lifted for schools, and we can fully return to school life as we knew it nearly 2 years ago.

On a different note, I would like to thank you for your support in implementing the new school behaviour policy. By working together, we can best support your child to make the right behaviour choices and get the most out of their learning.

We look forward to seeing the children back on **Tuesday 1<sup>st</sup> March**.

Wishing you all a restful and safe half term.
